

WE WILL REOPEN ON TUESDAY, JUNE 23d AT 5:30 pm!

Please call for reservations (required)!

June 19th, 2020

Hello Friends,

Thank you so much for your loyalty and love during these unprecedented times. We appreciate each and every one of you who have so generously supported our staff and our takeout operation since the restaurant closed in March.

We've missed seeing you face to face and have thought about you every day. When we reopen on Tuesday, June 23d please be assured that we are keeping your (and our employees) utmost safety in mind and adhering to all of the State and CDC guidelines for doing so.

At first, dining at the oldmill will look and feel a bit different. Many of the changes will not be permanent and we hope that you will bear with us for as long as they are necessary. Mostly we hope that you feel the quality of the food and personalized service you've come to love remain unchanged.

One of the biggest changes (and definitely NOT permanent) is the fact that we will become a RESERVATIONS ONLY restaurant for the foreseeable future. Only those with a reservation (maximum of six guests) will be allowed to enter. Our seating will be greatly reduced and the bar area will not be open right away.

Our reopening plan includes continuing takeout for those who won't feel comfortable going out yet, but because of space and kitchen limitations, it will be on a reduced basis.

We are committed to riding out these difficult times with a positive spirit and returning this restaurant to the busy, vibrant, hospitable joint we love. Please check our website www.oldmillberkshires.com regularly for further updates.

We can't wait to see you!

Terry, Ginny and all of the oldmill staff
